

April 29, 2009

Keith Nothacker  
KHN Solutions LLC  
300 Broadway St., Suite 26  
San Francisco, CA 94133

This is to confirm that the KHN Solutions, LLC **BACTRACK® Select S80** screening device that was submitted to this Center for evaluation has been found to meet all applicable requirements of the National Highway Traffic Safety Administration Model Specifications for screening units for breath alcohol testers, **FR 59 39382**.

The test report is enclosed. It is expected that the device will appear on the next update of the NHTSA Conforming Products List for screening devices.

Sincerely,

Edward Conde  
Chemical Engineer
